<p><b>Clinical Aboriginal Health Practitioner (Male)</b> (Must hold a Certificate IV in ATSI Primary Health Care)</p>	

Nunyara Aboriginal Health Service is an RACGP accredited service that provides culturally appropriate health care, health promotion and education programs for the Aboriginal community in Whyalla.

Nunyara is looking to engage energetic and motivated persons to fill the above position/s. above. Depending on the applicant's qualifications and experience, all of these positions will have responsibility to plan, implement & review appropriate interventions including:

- Referrals, screening and advocacy
- Men's Health
- Undertake client observations and consultations
- Participate in case conferences and in shared care planning for clients
- Provide Health education and promotion, using a variety of strategies
- Provide quality information to enable clients to make informed decisions about their health

Applications are invited from highly motivated people who can demonstrate their ability to work within a team environment, but who are also proficient to assess health needs and provide direct clinical care within own area of clinical competence and qualifications.

### **Minimum requirements for the position/s & Documents required:**

- ❖ Appropriate qualifications and/or experience
- ❖ A current valid National Police Clearance and Working with Children DCSI Check
- ❖ Proof of Covid-19 Vaccination

A Full Job Description can be found at [www.nunyara.org.au/careers](http://www.nunyara.org.au/careers)
